How can you help?

1. Become part of the hands on team

- **Photographers:** Help our marketing efforts by taking great shots with impact during our therapy sessions and adaptive riding lessons.
- **Graphic Designers:** Help our marketing efforts by designing flyers, postcards and website graphics. Maybe even t-shirt designs!
- **Mailing Helpers:** There are several chances a year to help collate, fold, seal our newsletters, appeals, event invitations.
- **Event Volunteers:** Help with decorations, setup, cleanup, etc.

2. Ways to donate and support the bottom line

- Spring & Fall Tack Sales: Donate used tack or horse related items
- Boot Scootin' BBQ: Each Spring (find silent auction items, help with decorations, etc.)
- Equus Gala: Each Fall (find silent auction items, help with decorations, etc.)
- Donate your old car or truck (<http://www.vehiclesforcharity.org/Donate/MANE.html>)
- Consider naming Mane Stream as your "donor choice" for United Way or other payroll donations.
- Ask if the company you work for matches donations of time or money to charities or if it has a grant-giving program.

If interested in assisting with any of the above items, please contact Kathy Mikula at volunteer@manestreamnj.org or 908-439-9636 x204 and we will direct you to the appropriate person for each event or project.
