## Getting to know us better...

### Kathy Mikula, Melanie Dominko-Richards, and Kim Coombs

Where would Mane Stream be without all of the terrific staff members who work so hard to keep our programs running on a daily basis?

This fall we were delighted to welcome three "new" people to our staff. Well as most know, two are new and one has been here at Mane Stream for 21 years!

To get to know them a bit better, in addition to asking them about their professional backgrounds we inquired about their favorite foods (because who isn't interested in food?) and the most enjoyable vacations they had ever taken.
