### CURRENT HAPPENINGS

#### Spreading Fairy Dust This #GivingTuesday

There'll be **#BrightSmilesAtManeStream** in 2020 all thanks to 54 donors! The Tooth Fairy swooped through and left us one final message. GOAL ACHIEVED! and we even have enough to help pay for the 1st farrier visit in 2020. #GivingTuesday may be a Facebook event but our generous donors gave in-person, online and via Facebook raising a total of \$3,941. Was it the crazy antics of the Tooth Fairy or maybe the donors know we couldn't do what we do without healthy horses. Either way, we can't say it enough... THANK YOU!

#### Holiday Open House Shenanigans

**Cookies and Candy Canes and Carrots, Oh my!** On Tuesday, December 17th the coating of ice on the trees wasn't enough to deter the crowds who came to

the Holiday Open House. The evening was filled with sweet treats for both horses and humans but the best part by far was taking silly pictures with the HORSES. Special thanks go out to Board Member, Jeanne Rogalin and Husband, Roger who set up the photo booth so that everyone could go home with a pic of their favorite steed. Happy holidays to all, and to all a good night!

## Striking Strawberry Roan Joins the Herd

**Have you seen these marks?** Meet Po (Peptogun), a registered quarter horse who came to Mane Stream late in October of 2019 from a local farm. Po has already had two previous careers. First as a cattle horse and then in the ring in the hunter jumper division. At Mane Stream, we don't love him for his looks and distinctive brands alone. He is a great height for many riders and has the ability to take them all the way from just the walk to cantering. We are really excited to have him join the Mane Stream family. Thank you Nicole Adams for donating this striking guy!
