Volunteer Spotlight: Hannah Gould

Giving & Receiving Along the Way!

Mane Stream has helped me through the stressful times in my life. Volunteering has given me experiences that have impacted my outlook on helping others and it will be a place I never forget. The people and herd at Mane Stream continue to be there for me every week, I hope I can give back to them as much as they have given me.

Summer Camp 40% Booked Already!

Spaces going like hot cakes! This PerformCare approved day camp is always a favorite. And now that the PerformCare forms are out, it's time to grab a space before they are all gone. The first and last weeks always fill up quickly and this year is no different.

No experience with horses is necessary to fully enjoy our summer camp **for ALL abilities.**

Over the 9 week-long sessions, our Summer Camp offers children 4 years and older an excellent introduction to horses and riding in a safe and nurturing environment. We promote independence, self-confidence, team building and socialization.
