Unbridled Possibilities for Children & Adults with Special Needs

March 2023

Welcome Renae, Angela, & Alex

This month we would like to introduce three more NEW team members. You may have seen them in the office, around the farm, or teaching lessons. One is Buzz's original owner, another comes to us from Centenary University and TRAC, and the third is our new Barn Manager! We hope you'll take a few minutes to read their staff profiles and then introduce yourself the next time you see them.
